What do Insurance Buyers tell us about the Current Process?

I'm A Good Risk,
but no-one
seems to listen!

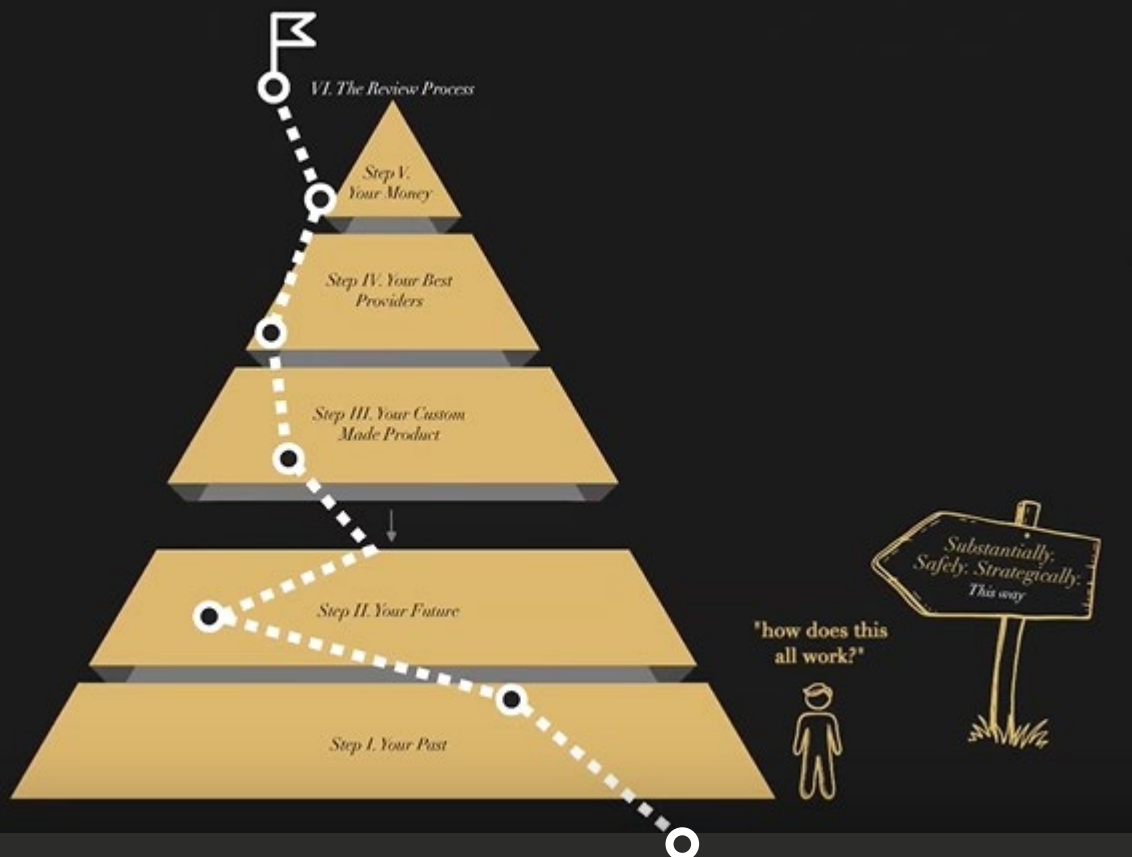

Insurance
Premiums
are so
Opaque!

My premiums
have gone up,
but I can't see
why?!

The Insurance
Renewal Process is
endless – I'm fed up
with it!

We understand the current process and its' frustrations
We have a better way, proven to work – each stage informs the next

The *InsuranceInspect* process

InsuranceInspect covers the following key areas in a fully-integrated approach:

1. Your Existing Risks (**Your Past**)
2. Your Risk Transfer Options (**Your Future**)
3. Your Product Design & Marketing (**Your CustomMade Product**)
4. Analysis of Your Tender Responses (**Your Best Providers**)
5. Placement Administration (and Anti-Money Laundering) (**Your Money**)
6. Ongoing Review and Monitoring of Your Risk Transfer Decision (**Your Review Process**)
